

The Corporation of the Township of Montague

Quality Management System Policy

The Township of Montague is committed to the provision of safe drinking water to all customers. That commitment is demonstrated through the development and implementation of this documented QMS and by compliance with all legislation and regulations (local, provincial and federal) that are applicable to the operation of the Montague Distribution System.

The Township of Montague will endeavour to continually improve the QMS by investigating and investing in, where appropriate, methods and technologies that may further enhance the Quality of the water and the services employed to maintain the waterworks
